

THE SPORTING CLUB AT THE BELLEVUE

Basic Squash League Rules

Scheduling:

- It is up to the players to schedule their matches within their box at a time that is mutually agreeable for both players
- If at the end of the session two players haven't played, they will each just have zero points for that particular match
- Hopefully it won't come up, but we'll call 20 minutes late with no notification of the opponent a forfeit. Optimally everyone will treat each other reasonably. However, if it happens, a forfeit result will be treated like a 3-0 match
- As barntown squash states on their page: if you sign up and commit to a league spot, please make the effort to play your matches. If you don't you'll annoy the other players in the league.

Matches:

- Matches will be played as best of 5
- We will use point a rally scoring - every serve results in a point to one player; games played to 11 points; must win by 2 Points will be awarded for each match to the winner and loser as follows:
 - 3-0: 6 points
 - 3-1: 5 points
 - 3-2: 4 points
 - 2-3: 3 points
 - 1-3: 2 points
 - 0-3: 1 point

Ball:

- Unless otherwise agreed upon by both players, the standard ball should be the double yellow dot.

First Server:

- The first person to serve can be decided by spinning the racquet, with one player guessing whether the racquet will land up / down or left/right (p/d for dunlop) based on the direction of the logo at the bottom of the grip.
- After the first game, winner serves.

Results:

- Please enter the results of your matches using the <https://clublocker.com> web page. The page is mobile friendly.
